Year 6 pupil, Sep 2021

Each child is issued with a Frimley Learner passport at the start of every year. If they achieve a set number of challenges (both in school and at home) linked to the above attributes, they are awarded with a certificate; leading to being awarded with the “Ultimate Frimley Learner” badge. These attributes are providing our children with the necessary learning skills for life beyond Frimley.

Learning together we grow

Our character education runs through the whole of the curriculum - this pulls together the values and Frimley learner and underpins all of our spiritual, moral , social and cultural development.

In our last SIAMS Inspection (Sep 16), we were judged to be 'Outstanding' in all areas.

The school's core values are well embedded into the life of the school. They make a significant contribution to the high quality of relationships throughout the school community and a positive impact on the children's learning.
