Dear Parent / Carer

**Statutory Inspection of Anglican & Methodist Schools SIAMS**

It is my pleasure to commend to you the SIAMS report for the school your child/children attend. All Church of England schools are inspected under statute as set out in Section 48 of the Education Act 2005.

A SIAMS inspection takes place within five years of the last inspection. The inspection is designed to assess four key aspects of effectiveness as a Church school:

Meeting the needs of all learners Collective Worship Religious Education Leadership and Management
---

The grades are: outstanding; good; satisfactory; inadequate.

**The school has been judged to be Outstanding.**

The quality of the educational experience of the learners and the standards achieved is at the heart of the inspection process.

I hope you find this report valuable in understanding how effective the school is as a Church of England school, what it does well and how it can further improve.

Yours sincerely

Canon Dr Stephen Green  
Diocesan Director of Education
