

Welcome to Frimley fusion

Hello – we are Frimley Junior schools afterschool club, Frimley fusion.

We run Frimley fusion by suggesting activities each week, with no obligation for any child to take part in – don't worry if an activity of the week isn't their idea of fun, there is also colouring, board games and outside play as well as buildable toys available. We will always find something to keep them entertained!

We encourage the children to follow our Frimley fusion Golden Rules (see below) which align with the Frimley values while still allowing the children the freedom to unwind. They also have the chance to put forward their own suggestions for two new rules which we vote on as a group.

We are based in the Hall which allows us the space to spread out and create all sorts of fun, it also gives us a great view of the outside play area. A typical snack at fusion will be a pre-packaged Brioche or Pain au chocolate & Mini cheddars.

In keeping with last year, we are still cleaning surfaces and supplies regularly & asking the children to wash their hands/sanitise during specific times.

Parents – wearing a face mask is now a personal choice but we do ask that you still stay within the yellow square as you enter to sign out and wait for your child.

All year groups can now freely play but in keeping with the school day we do try to keep the lower school together and the upper school together when in large groups.

We look forward to getting to know you all!

~ Frimley Fusion Team
