

Spring term

We hope you all had a lovely Christmas break and got some rest because our 2021 spring term has a lot of fun activities to keep the children busy. As before, we will keep year group bubbles for activities/ outside play and rotate activities which we are shown below.

Please bear in mind that some activities will need to be finished at home, such as shrink art – our ovens don't have windows so you can't watch as they shrink which is the best part! We will provide instructions if you are unfamiliar.

As we are still experiencing cold weather could you make sure your child brings a coat. They will not be allowed outside to play without one.
