# FRIMLEY TIMES

Dear Parents

So this is the final newsletter for the Spring Term and what a busy term it has been, I hope you've enjoyed seeing lots of activities on our social media sites over the last few weeks – just a taster of the fun things the children get up to in school! We will return for the Summer Term on Monday 17<sup>th</sup> April when we'll be starting to think about transition to the next year groups – each academic year seems to race by quicker

and quicker!

Well done Year 6: All of the Y6 children took part in a mock SATS week last week in preparation for the real thing which take part in May. All the staff were involved and were so impressed with the mature and confident way they approached each test. I know they will do amazingly when it comes to May!

Parents Evening: Thank you to all of you who 'attended' the parents evening remotely on Tuesday; I hope you found the opportunity to talk with your child and their class teacher useful. More appointments are taking place in school tonight. If you didn't manage to book an appointment, please call the office and we can arrange for your child's teacher to call you at a mutually convenient time. Also, a reminder that you are all invited to our Open Afternoon on 17<sup>th</sup> April (1<sup>st</sup> day back after Easter) between 2.00-4.00, when the children will have chance to share their learning books with you.

Website: Mrs Farage has been very busy updating all of the curriculum pages on our website to reflect the learning that your children are engaging with each term (these can be found under the learning – curriculum tab on the website). These pages are split into curriculum subjects where you will find information about how we organise that subject (ie intent and implementation) as well as documents entitled "learning map" and "approach". All the teachers have been very busy over the last two terms identifying what we call "crucial learning" for each subject and this is being shared with the children in their day-to-day lessons. Please do take the time to look at this information on our website, to enable you to have conversations at home with your child about their learning.

Term will end at 2.00 next Friday (31<sup>st</sup> March) and we look forward to seeing everyone back in school when term starts again on Monday 17<sup>th</sup> April.

Clare Wright

## Frimley Bake-Off Challenge

Thank you to everyone who took part in the 'Frimley Bake-Off' challenge. The entries have been amazing and it was very hard to judge. The chosen winners from each year group will be announced in assembly next week. #comicroelief #wellbeing, we raised a whopping **£450**.

## Gremlin Dance Challenge

On Thursday 16th March Miss Wonders lead the Frimley dance team to the Princes Hall in Aldershot to perform in the Gremlin Dance Challenge. The theme was time and our dance was based on the Evolution of Man. We competed against 11 other schools. All the dances were amazing, we won the best costume award and it was so much fun.

## Year 3 and 4 Football Tournament

On Wednesday the 15th March year 3 and 4 attended a football tournament at Ravenscote Junior School. Frimley 1 team had 7 matches and lost 3.

Frimley 2 team had 7 matches as well and they lost 1 match.

Thanks to the people who participated in the tournament.

## A Huge Thankyou

We would like to thank Nathan Pitts (General Manager of the White Hart Frimley) who generously donated £ 110 to our school. The money was raised after they ran a Mothers' Day hamper raffle recently.

## Dates for your diary

Date 2023	Event
23rd March	Parents Evening 3.40—6.00
31st March 2pm	Finish for Easter Holidays
