

Year 4 Summer 2 Homework 2023

<p><u>Reading</u></p> <p>Read for at least 10-15 minutes, five times per week to an adult and have a discussion about the book.</p> <p>Please log this on BoomReader: https://go-read.co.uk/</p>	<p><u>TT Rockstars</u></p> <p>Complete the set Times Tables challenges here:</p> <p>https://play.ttrockstars.com/</p>	<p><u>SPaG</u></p> <p>Complete the weekly SPaG task set here:</p> <p>https://student.spagtastic.com/login</p>
<p style="text-align: center;"><u>My Maths</u></p> <p style="text-align: center;">Complete the weekly MyMaths task set here: https://www.mymaths.co.uk/</p> <p style="text-align: center;">MyMaths.co.uk is a fantastic website which Frimley has subscribed to.</p>		

****Homework will be set from Thursday to Thursday each week.***

This half term, we are continuing our learning about rivers and the water cycle. We are looking at the journey a water droplet takes and exploring how it can change its state of matter (solids, liquids and gases) throughout. Just as water changes, we will also be exploring changes from Year 4 into 5 as we progress towards the end of term. Choose a few of the ideas below to demonstrate your understanding of the water cycle. How could you present your findings in a creative way?

Wider Curriculum homework sharing day will be: **Friday 14th July**

Wider Curriculum Homework

You could complete one, or more, of the following options or create something else to show what you have learnt about your wider curriculum subject areas.

create a piece of art work

write a story/poem/newspaper article etc

make a model

make a game

go on a visit

Read a book linked to your topic and review it

make a poster

follow a recipe

create an informative leaflet

plan and do an experiment linked to your topic

Learn a new skill

design a costume

make a video

make a fact file

write some word problems for maths
