

Dear Parent/Carer

Re: Your child's flu vaccination e-consent

The Child and Family Health Surrey Immunisation Team is visiting your school on **Friday 24th November 2023** to deliver Influenza (flu) vaccinations via nasal spray.

Please complete the e-consent form by 4pm on Monday 20th November 2023 by visiting:

- www.surreyimmunisations.co.uk and entering your school's unique code **SR125152**
- If **you do not want your child to receive a vaccine, then please fill in the 'No'** box.
- If you do not want your child to receive the nasal spray vaccine on the basis of porcine gelatine, please fill in the 'No' box indicating this, and you will be given the opportunity to consent for an alternative vaccination. This vaccination is delivered by injection into the arm (intramuscularly) and does not contain any porcine DNA agents. We will deliver this in school when we visit, if you would like your child to receive this vaccination in a clinic, please contact us on the above number or email.

An automated email will be sent to you on completion of the e-consent form from Cinnamon Digital Applications (who host the website portal for us). If you do not receive this, please check in your junk email or contact the Immunisation team.
