

# Frimley Church of England Junior School

14<sup>th</sup> September 2023

Dear Parents,

Please be informed that there have been a few cases of head lice in school. This is a recurring problem in all schools that can only be eradicated by all of us being vigilant and checking hair regularly.

Combing with a fine toothed comb and the use of conditioner is very effective in controlling the spread of lice. If your child is infected please treat accordingly.

Everyone's co-operation is the best way to keep this problem under control and is greatly appreciated. Tying long hair up or back will help prevent re-infection.

Yours sincerely,

*C. Wright*

Mrs C. Wright
