Welcome to all our new families! Hope your children (and you!) have settled into Frimley life.

We have already kicked off our fundraising events of the year with a successful second hand uniform sale on Monday, and we have lots more events coming up! ©

PTA Annual General Meeting (AGM)

At the end of this month, we have our AGM. We sadly lost some of our regular PTA helpers at the end of last term, so we really need some new people to join us. We don't need a lot of your time, there are all sorts of small jobs that could be done from home, if volunteering in person is a challenge. Please PLEASE please come along to our AGM!

Charity Christmas Cards

Sorry to mention the 'C' word already, but next week, your child will come home with a template for **Christmas card** artwork. They can complete this at home and then **return it to the school office by Monday 16th October.** You will then receive an email from Xmas4schools (https://xmas4schools.co.uk) so you can order cards and gifts, if you wish. Each item purchased results in a donation to the school.

Rock and roll bingo night!

Tickets go on sale today for our first ever 'Rock and roll bingo night'! This is an adult only event (there will be a licenced bar!) and we hope lots of you will come along for what promises to be a really fun night! Come on your own to meet new parents or with a group. £5 per person, which will include four games. To purchase a ticket, please visit our website. New parents, you will need to re-register even if you previously had a login on a PTA Events website at your infant school; https://www.pta-events.co.uk/frimlevpta/

BIG FUNDRAISER!

The kids all love being outside, so we are keen to help the school make significant and exciting changes to the playground and Astro turf area. This is an ambitious fundraising goal and to achieve it, we would like to organise a large-scale event in Spring next year. This will only be possible with a dedicated group of volunteers. **Please complete the attached Google Form.**
