

Frimley Church of England Junior School

September 2023

Dear parent/carer,

Re: pupil premium and free school meals

If your child is eligible for 'free school meals' and you register them for this, we'll receive extra funding called 'pupil premium'. We use this extra money to improve the educational provision and resources at the school.

What is pupil premium funding?

Pupil premium funding from the government is given to schools to help pupils reach their full potential, regardless of their background or financial situation. It's provided for pupils who:

- Are registered for free school meals
- Have been registered for free school meals at any point in the past 6 years
- Are, or have been, in care
- Have parents in the armed forces

At Frimley we get an extra £1,455 for every eligible pupil who is registered for free school meals. This extra money could make a real difference to the quality of education we offer.

For example, we've previously used pupil premium funding for:

- Educational provision/resources
- Academic interventions
- Wellbeing and self-esteem building interventions

Does my child have to eat the free school meals?

No. Pupils who are registered for free school meals don't have to eat them. If you're eligible but you want your child to have packed lunches you should still register because the school will receive the funding which can support your child in other ways.

How do I register?

You only need to register once at the school.

To register, please complete the attached form and return to the school office.
