

Newton Newsletter October 2023

By Tristan and. Leo, Newton's House Captains

During our Enrichment Day our main value was honesty. During this day, we wore our own house coloured t-shirts (for us red). We were split into three groups and went into separate classes (Mr Fitzgibbon in 4C, Mrs Payne in 4M and Miss Pearce in 4D).

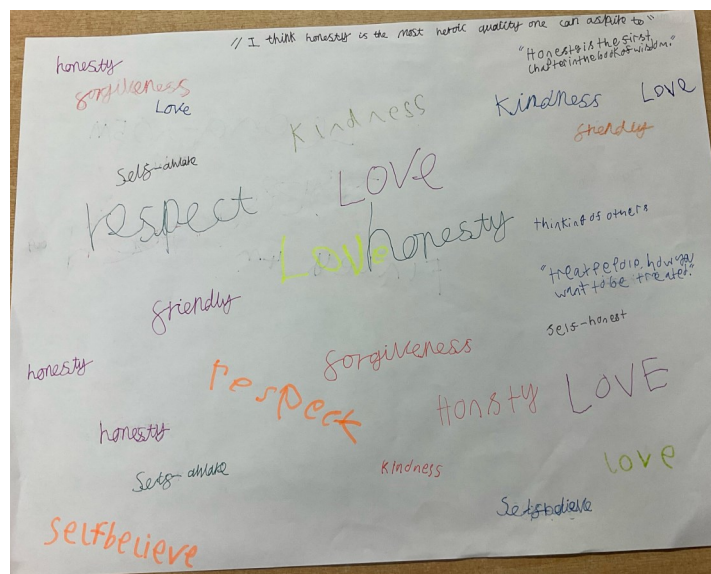

The first activity that we did was scenarios.

There were 4 scenarios, and we had to find a solution for them. One of them was about someone losing a souvenir they got on holiday and we knew who stole it. What would you do parents?

In the second activity, we made an honest playground poster or a mind map about how to make our school more honest.

In the third activity we watched the boy who cried wolf. After watching this story, we created our own story (with a moral of honesty) and acted out or told the story to the rest of our group.

Our final activity involved making a quote and then creating a poster that shows our quote.

The first enrichment day of the year was fun and everyone had a good time. Thank you to all of the teachers who organized this amazing day.
