

Frimley Church of England Junior School

Dear Parents/Carers,

Unfortunately, Sports for Champions had to cancel our session on Friday 10th November due to Chloe Peplow having a change in her schedule.

I am in the process of arranging a new date, however this will be after the new year due to this term being a busy time of year in school.

Please continue to raise money to donate via Crowdfunder or collect money ready to hand in before our event. If you need a new sponsorship form to record your money raised, please contact the office and I can arrange for new ones to be ordered.

I apologise for the inconvenience, the circumstances were unfortunately out of our control. I am extremely excited to welcome Sports for Champions to Frimley, and I believe it will be a lovely experience for all the children to participate in.

Any questions please contact the office.

Kind Regards,

Miss Pearce
PE Lead
