Dear parents and carers,

We're delighted to let you know that Frimley Church of England Junior School is a member of The National College – a multi-award-winning online training provider for staff and parents.

As part of our membership, The National College provides dedicated training and resources for staff, parents and carers around online safety and keeping children safe online.

In school, we will continue to teach children about the risks online but with the internet so readily accessible, the most effective approach to online safety needs everyone involved, including parents and carers.

That's why by signing up to The National College you will have access to hundreds of courses, explainer videos and online safety guides to support your awareness of the online world. Topics range from understanding apps like TikTok and Instagram to recognising the signs of online harm and what you can do to help.

Signing up to this platform is really simple. Click on the link below and complete your details. Once you're set up, you'll be able to choose 'Parent/Carer' as your user type and get instant access to all of their training and resources.
