

SATs Information Talk – Tuesday 30th January – 3.30 pm

Dear parents/carers,

On Tuesday 30th January at 3.30pm, a SATs information talk is being offered to parents with children currently in year 6. The talk will be delivered in 6P.

The talk will provide information on what the SATs tests are, timetabling for SATs week, how the tests are administered and how you can support your child. It will also be a good opportunity to ask any questions you may have about these statutory tests.

There will also be the opportunity to view some of the CPG books that we are offering year 6 students to buy. You will be able to see examples of books you may want to order for your child and the order form process will be explained to you.

If you are unable to attend the evening, a copy of the presentation and order form will be sent home with your child the following day. The presentation and order form will also be available on the school website.

Kind regards,

The Year 6 Team
