How is it nearly February already?! We had a meeting a couple of weeks ago and have now agreed all the events for the rest of this academic year – please make a note in your diaries of everything coming up!

As mentioned in the last newsletter, most of the current PTA members will be leaving in July, if you want all the events to continue, new volunteers will need to come forward. One thing that needs new ownership if it is to continue, is the **charity Christmas cards**. The company who we use for them has already been asking if we want to reserve a delivery slot for October. Slots are limited so it will be too late to decide in September. If you are interested in taking over this effective but extremely simple fundraising activity, please get in touch. ©

Big fundraiser = summer festival!

You may remember that a few months ago we sent out a Google form asking for feedback and help for a big fundraising event. The response was extremely positive, and a committee was set up. We have now had three meetings to start organising things but so far . . .

What? A festival style event with live music acts, a DJ, food vendors, bar, games and inflatables **When?** Saturday 15th June 4-10pm

Where? On the school fields

Why? Fun for the whole family, whilst raising funds to create a dedicated wellbeing space outside at school to be used for learning and a chill out zone in all weathers

Want to help? If you are interested in being involved in the organisation or on the day, please get in touch. We also need sponsors so that we can keep costs down to a minimum.

We are all really excited about this and hope you will be too! Please SAVE THE DATE!
