

# Curie EDIJ Newsletter February 2024

The focus of this term's Enrichment Day was EDIJ (Equity, Diversity, Inclusion and Justice). We watched a story about including everybody in all that we do and discussed what each of the words in 'EDIJ' mean to us.

We created a piece of artwork based on diversity showing how we are all welcome in our world no matter what we look like.

We looked at equality vs equity. We created these images. In the first image, everyone is treated equally but cannot see outside. In the second image, everyone is given a different scaffold so that they can see. This is equity because it is fair for everyone.

When focusing on inclusion, we created playground games. We considered barriers some people could have and planned ways to overcome these so that everyone could be Included.

The second Enrichment Day of the year was a lot of fun and it was great to work with people and teachers from all the different year groups.
