

Einstein EDIJ Newsletter February 2024

During our Enrichment day we learnt about EDIJ.

Equity - To be fair and allow everyone to be successful.

Diversity - Celebrating everyone's difference and all that makes them unique.

Inclusion - Ensuring that everybody feels included.

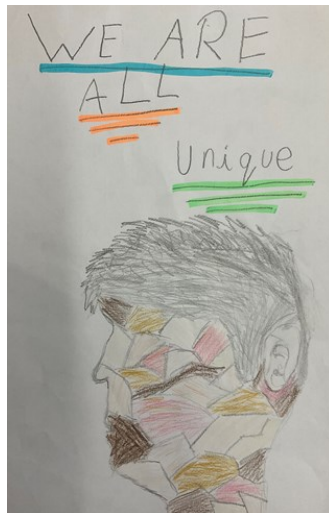

Justice - Treated in a manner that is fair.

'At Frimley, all the teachers include everyone.'

Lewis, Einstein House Captain

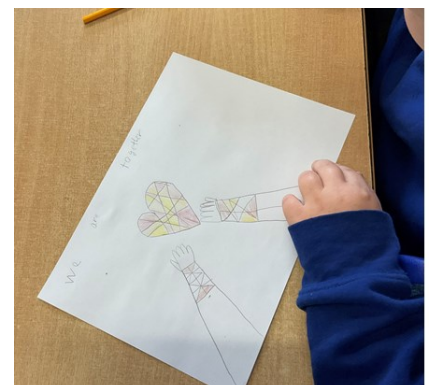

Equity

We looked at some scenarios which helped us to understand the difference between equity and equality. We realised that sometimes people need different things to be successful and it may not seem fair at times.

Diversity

After listening to some amazing stories with the theme of diversity, we created our own art work to show what diversity means to us.

Inclusion

After looking at how the FA ensures everyone can be included in football, we looked at how we could make the games we play on the playground more inclusive.
