

Galileo EDIJ Newsletter

On Friday the 2nd of February, Frimley Junior School learned about EDIJ (Equity, Diversity, Inclusion and Justice). Equity is giving everyone what they need to achieve the same outcome. Diversity is being different. Inclusion is including everyone no matter what. Justice is being treated in a fair way.

We had multiple activities to help educate us. One of the activities we took part in was to design a poster about diversity. There were lots of great posters that had been designed that really highlighted how important diversity is.

Our next activity was to create our own game which everyone could take part in. Everyone enjoyed this experience and we all learned something new.
