Reading

This half term, our class reader will be *The Final Year*. We will be focussing on retrieval, inference, vocabulary and summarising skills in our reading lessons.

Maths

In maths, we will be revisiting lots of different areas of previous learning and we will take part in various investigations where we will have to apply our knowledge to reason and problem solve.

Suggested reading books

You Are Awesome – Matthew Syed
Can You See Me – Libby Scott and Rebecca Westcott
Crater Lake – Jennifer Killick

RE

Our focus in RE will be, 'What can be done to reduce racism?' We will look at what racism is and why it is unfair, what we can learn from St Peter and how the golden rule of all religions can help reduce racism.

Writing

We will be writing to inform in a non-chronological report about deforestation and we will be using a range of stimuli when writing to entertain through a narrative and poetry.

PSHE

In PSHE, we will be looking at short and long-term goals and dreams whilst also focusing on how to make a successful transition to secondary school.

French

In French we will be learning how to talk about your holidays in French.

PE

In athletics, we will be developing our running, throwing and jumping skills. In cricket, we will be working on bowling, batting and fielding skills before competing in an intra-house tournament.

DT

In DT, we will be using computing programs to design, monitor and control a product.

Computing

We will be using the Ipad app Numbers to present statistics in maths. We will also be creating a poetry eBook using our typing and presentations skills.

Music

In Music, we will be learning about singing skills and performing.

Homework

TTrockstars – weekly
Spelling lists
Please log all reading on BoomReader.
