

March 2022

Dear Parents and Carers,

Next half term, we are planning to undertake a D&T project using pneumatic systems (using compressed air to cause motion). In order to complete this, the children will need some cardboard egg boxes and cardboard kitchen roll tubes.

If you are able to collect any spare cardboard over the Easter break for us to use, we would be very grateful. We plan to start this project from the w/c 2nd May.

Thank you for your support with this.

Kind regards,

Year 3 Team
