

Year 6 Autumn 1 2022 Homework

<u>Reading</u>	<u>My Maths</u>	<u>TT Rockstars</u>	<u>SPaG</u>
Read for at least 10-15 minutes, three times per week to an adult and have a discussion about the book.	Complete the weekly My Maths task set here: https://www.mymaths.co.uk/	Complete the set Times Tables challenges here: https://play.ttrockstars.com/	Complete the weekly SPaG task set here: https://www.spag.com/

This half term, in our history and geography lessons, we will be learning all about the Mayan civilization and the Central America countries they lived in. In science, we will be learning about light: how it travels, how we are able to see objects and why shadows are formed. Our RE theme is 'Who is Jesus?' and we will explore different ways Christians view Jesus. Choose a few of the ideas below to demonstrate your understanding and knowledge of one or more of our areas of focus for this half term. For example, you could produce an informative piece of work about Mayan architecture or religion, conduct a scientific enquiry about light or create a piece of art based on what Jesus means to you. Try and be as creative as possible.

Topic homework sharing day will be: **Thursday 20th October 2022**

Homework

You could complete one, or more, of the following options or create something else to show what you have learnt about your learning theme.

Bring it to share with your class on **Thursday 21st October.**

create a piece of art work

write a story/poem/newspaper article etc
