

Frimley Church of England Junior School

03.11.22

We are pleased to share that our school is working with the Surrey Heath Mental Health Support Team, provided by Surrey and Borders NHS Partnership. The Mental Health Support Team (MHST) will provide interventions for children and young people, with mild mental health and emotional wellbeing difficulties. They will work closely with our staff in school and support us in improving our whole schools' approach to Emotional Well-Being and Mental Health.

Over the next few months, we will share further information on who the team are, and the support they will offer. We will also be sharing surveys, to give you the opportunity to have your say in how the service is developed and delivered in our school, as well as resources to support your child(ren)s mental health. If you would like further information, on this service, please talk to your child / children's class teacher or email: info@frimley.surrey.sch.uk
